

The Plant Kingdom

Garden Center & Landscape Service

JOIN OUR TEAM – *Fall/Holiday 2018*

The Plant Kingdom Team is hiring! If you love the outdoors and would thrive in a fast-paced, service-focused, all-weather environment please apply for one or all of our available positions. Keep in mind that both of these positions may require the ability to complete labor-intensive tasks in all weather conditions.

Full & Part-time Landscape Assistants

Our landscape team performs an array of services, from tree delivery and planting to full landscape installation and maintenance. Professional landscape or outdoor work in related fields is preferred. Pay is negotiable based on related work experience, position, and education. Hours can range from 25 - 45 per week depending on the position, season, and weather.

Full & Part Time Garden Center Assistants

Our retail team has a variety of responsibilities which include but are not limited to: communicating with and assisting customers, operating cash register/POS system, watering plants, maintaining store facilities, and loading/unloading plant and product shipments. No garden center or retail experience is required; however, a desire and ability to work with people and be on your feet for a 5 hour shift in all weather conditions is necessary. Pay is negotiable based on position, related work experience, and education. Hours can range from 15-40 per week depending on the position, season, and weather. The ability to work weekdays and weekends is required.

If one or all of these positions peaks your interest please complete our online application.

Submitting a resume is not required but highly recommended.

Once you have submitted your application, The Plant Kingdom Team will review your application and contact you if an interview is desired.

Printed applications are available upon request.
