

# The Plant Kingdom

Garden Center & Landscape Service

## JOIN OUR TEAM

The Plant Kingdom Team is hiring!

If you love the outdoors and would thrive in a fast-paced, service-focused, all-weather environment please apply for one or all of our available positions. Keep in mind that these positions may require the ability to complete labor-intensive tasks in all weather conditions.

### Full & Part-time Retail Positions

Our retail team has a wide range of responsibilities. While each position has a specific focus all retail team members are required to help customers, complete daily tasks, and maintain a “retail ready” shopping environment. No garden center or retail experience is required; however, a desire to work with plants and people as well as the ability to be on your feet for 5 or more hours in all weather conditions is necessary. Pay is negotiable based on position, related work experience, and education. Hours can range from 15-40 per week depending on the position, season, and weather. The ability to work weekdays and weekends is required. The following is a brief summary of what is generally required in each position:

#### Cashier

Completing daily tasks with an emphasis on operating cash register/POS system and assisting customers at the register, on the phone, and via email

#### Sales Assistant

Completing daily tasks with an emphasis on sales and customer service

*retail and/or plant experience is preferred for this position*

#### Nursery Assistant

Completing daily tasks with an emphasis on loading/unloading plant/product shipments and assisting customers with lifting/loading their purchases

### Full & Part-time Landscape Assistants

Our landscape team performs an array of services, from tree delivery and planting to full landscape installation and maintenance. Professional landscape or outdoor work in related fields is preferred. Pay is negotiable based on related work experience, position, and education. Hours can range from 25 - 45 per week depending on the position, season, and weather.

*If one or all of these positions piques your interest please complete our online application. Submitting a resume is not required but highly recommended.*

Once you have submitted your application, The Plant Kingdom Team will review your application and contact you if an interview is desired.
